ADDRESS: _____ ZIP: _____

PHONE: () _____ Home () _____ Message () _____ Cell

E-MAIL: _____ AGE/DATE OF BIRTH: ____/____

CURRENT GRADE LEVEL: _____ CURRENT MATH CLASS: _____

PLEASE RESPOND TO THE FOLLOWING:

1. Why are you interested in participating in the ACE Academy and what do you personally hope to gain from being in this program?

2. What are your career interests and goals? Please describe in detail. If you don't know or are not sure, tell us a little about what you like doing and what kind of environment you would like to see yourself working in 10 years from now?

3. Do you know anyone involved in construction, trades, architecture, or engineering? What do you already know about these careers? What do you think working in this career will be like?

4. Please describe any special programs/classes you have participated in, and/or any special skills and/or interests that you have that relate to construction, trades, architecture, or engineering. This can include: artistic ability, working with your hands, building things, playing video games, ability to imagine or design things, ability to get along with people, etc...

5. If you had some difficulty with your grades this year, please explain. What have you learned about yourself as a result of this year? What will you do differently next year?

6. Please submit with this application a **drawing of a basic floor plan of your dream home**. In your plan, show where the doors, windows, rooms, and large pieces of furniture would be. Try to draw it to scale, but do not worry if it is not perfect. If you would like to also draw the front view (elevation) drawing of your dream home, you can do it on the back side of the paper. Please include landscaping and as many details as you want. Remember neatness is the signature of your work. PLEASE USE PENCIL.
